

Pennyman Primary Academy Sports Premium Report 2015-2016

	What is the intended impact of this investment?	How will we know if we have been successful?	Cost of investment
<p><i>Demonstrate our commitment to the leadership of Sport & Health:</i> TLR3 allowance for the Leader of Sport & Health</p>	<p>Sport and Health is a priority two statement on our RAD (Review & Development) Plan for the academic year 2015-2016. Sport and Health Leader has the responsibility to ensure that the plan is implemented and targets are rigorously assessed and achieved throughout the academic year.</p> <p>In addition, Pennyman employ 2 Sports Leads to work with the Sport & Health Leader to further develop PE, physical activity and school sport throughout the extended academy</p>	<p>Ongoing review and annual evaluation of the RAD plan for 2015-2016 will demonstrate the impact that the Sport & Health Team have had across the academy. The leader is responsible for the timetabling of Physical Education sessions and extra-curricular clubs. Leader will monitor the impact on teaching and learning and physical fitness. The leader and the team will further develop the Pennyman PE skills and assessment documentation to enable all of the children to fully access our curriculum and be successful.</p>	<p>£2,586.96</p>
<p><i>Increase the provision & participation levels in PE, Sport & Physical Activity:</i> Develop our pre-academy, post-academy clubs and holiday clubs</p>	<p>Following data analysis from the previous academic year, we want to sustain the levels of activity of our children in our pre-academy & post-academy sports clubs. In addition, we wish to target those who we have identified as less</p>	<p>Registers to be taken weekly for every club and this information will be inputted into our individual child-tracker where their participation in clubs is mapped out to maximise their level of physical activity & education,</p>	<p>£3,120</p> <p>Further projected spend: £1,560</p>

	<p>active through a range of alternative clubs to increase their physical activity throughout the week.</p> <p>These clubs will be taken by our two qualified Sports Leads and one of our teachers.</p>	<p>participation in sport and engagement.</p> <p>Analysis of previous and current data will indicate that less-active children have been more involved in this provision and percentages will show that we have increased our participation levels for all children in our academy.</p>	
<p><i>Provide alternative experiences in PE & Sport:</i></p> <p>Wheelchair basketball provision for KS2 children in PE & a weekly after-academy club</p>	<p>Through previous experiences, the academy has been successful in using alternative sports to raise the engagement of less-active pupils and all other pupils in our academy. Our commitment to Tees Valley Titans (our wheelchair basketball provider) ensures that the level of provision meets the needs and skill development of all our children.</p> <p>Furthermore, we work closely with Tees Valley Titans to develop the role of their coaches when working with our young people.</p>	<p>Analysis of participation levels during Physical Education will show the level of engagement that children have in this alternative sport.</p> <p>In addition, some less-active KS2 children will be targeted to participate in the after-academy provision that we will offer on a weekly basis in the Spring and Summer term using wheelchair basketball.</p> <p>Our academy team (KS2) will participate in the annual Tees Valley Titans Wheelchair Basketball competition.</p>	<p>£540.00</p> <p>Further projected spend: £420.00</p> <p>(potential extension of provision: £240.00)</p>
<p><i>Develop our own Tees Valley Education sports network:</i></p> <p>Plan and deliver intra-academy competitions across</p>	<p>The SLT and Sport & Health Team across the Tees Valley Education Academies network is committed to raising the profile of physical</p>	<p>Our academic sporting calendar will show a range of events that have been held by Tees Valley Education across all three</p>	<p>£270.00</p> <p>Further projected spend: £250.00</p>

<p>our three academies throughout the academic year</p>	<p>activity, education and sport across all three of our academies: Pennyman Primary Academy, Brambles Primary Academy and Dormanstown Primary Academy. We will stage a variety of competitions throughout the academic year for a variety of age ranges of children to take part in.</p>	<p>academies and various venues across the Tees Valley. Successful academies will be presented with trophies and individual medals to celebrate the children's success. Feedback will be taken from staff and pupils who attend these events and used to develop future events.</p>	
<p><i>Continue to develop our role in the Middlesbrough Partnership Sports Partnership and participation in competition:</i> The Middlesbrough Primary Schools Sports Partnership Alliance</p>	<p>Pennyman Primary Academy is committed to the Middlesbrough Primary School Sports Partnership. Through our membership fee, our staff and children are granted access to a wealth of resources, training and experiences that have a profound beneficial effect on our Sport & Health curriculum.</p>	<p>Participation in various events and competitions organised by the partnership give a large number of our children the opportunity to participate in L2 inter-school competitions and the chance to participate in L3 Tees Valley competitions depending on our success. Participation is recorded in our child tracker to ensure that the number of children who participate in these competitions continues on an upward trend that has been identified over the past few years.</p>	<p>£500.00</p>
<p><i>Continue our commitment to inter-school competition:</i> The academy will enter competitions throughout the academic year for different</p>	<p>The academy will continue to enter a range of teams (including B & C teams) as part of the Middlesbrough Partnership and the Tees Valley</p>	<p>A register of entries for the academic year will show a further increase in participation. A register of children who have participated in these competitions</p>	<p>£296.80</p> <p>Further projected spend: £300.00</p>

<p>age phases of children</p>	<p>This will increase the profile of Pennyman in the local and wider area. In addition, all participants will develop their own core values of the School Games.</p>	<p>will show how this has impacted on children's participation levels throughout the academy and specific children will be targeted to ensure that they have participated in at least one sporting competition this year.</p>	
<p><i>Increase our levels of participation in SEND sports competitions:</i> Develop our role in the Middlesbrough Disability Sport Network and increase our competition opportunities for SEND children</p>	<p>The academy is committed to sporting opportunities and excellence for all so we will ensure that our SEND children have the same competition opportunities as our mainstream children. Members of the Sport & Health team will play an active role in the Middlesbrough Disability Sports meetings held through the academic year.</p>	<p>Following the success of our Boccia team last year and the recognition it received at the Evening Gazette Sports Awards 2015, the academy will enter teams into events for: Boccia, Kurling and a Panathlon A register of entries for the academic year will show an increase in participation in disability sport competitions. A register of children who have participated in these competitions will show how this has impacted on children's participation levels throughout the academy</p>	<p>£350.00</p> <p>Further projected spend: £300.00</p>
<p><i>Continue to develop the role our staff play in the delivery of PE, Sport and Physical Activity:</i> Staff CPD</p>	<p>Through our Staff Mentoring programme, teachers have identified their specific skill needs to maximise their teaching outcomes as part of Physical Education.</p>	<p>Our SEND staff will regularly observe and 'team-teach' with our two Sports Leads to develop their own skill set for Disability and inclusive sport. EYFS staff will undertake a rolling</p>	<p>Projected spend: £350 - £500</p>

	<p>The Sport & Health Team will work with these teachers to develop a program to meet their needs through an individual programme.</p>	<p>programme of staff/Sports Lead led PE lessons to develop each member of staff's skill set. A rolling programme of CPD will begin to commence during the Summer Term for other staff across the academy. The number of teachers undertaking CPD as part of our academy programme will increase based upon analysis of our CPD programme from the previous lesson.</p>	
<p><i>Continue our commitment to the use of young people as leaders in sport:</i> Young Playmakers Sports Leaders Awards</p>	<p>Following the success of our playmaker scheme over the previous academic years, Pennyman is continuing to invest in this development programme for our young people.</p>	<p>The number of children participating in the scheme will increase. Weekly meetings to be held with Sports Leaders. Children to lead a range of activities at break times and lunch times as well as assisting staff as part of PE lessons. The number of children achieving Silver standard to increase from our current number of 2 children and a number of children to potentially progress to Gold standard too.</p>	<p>Projected Spend: £150-£200</p>
<p><i>To offer a rich and varied</i></p>	<p>As part of our commitment to a</p>	<p>An enrichment week will be held</p>	<p>Projected spend:</p>

<p><i>curriculum:</i> National Sports Week and 'Road to Rio' curriculum enrichment</p>	<p>rich and varied curriculum for all our children, Pennyman will continue to support National Sports Week and celebrate the upcoming Olympics in Brazil.</p>	<p>during the summer term and will be used to develop a programme of study for English, Mathematics and the afternoon curriculum. An Olympics will be held for all EYFS & KS1 children. A KS2 Olympics will be held at Middlesbrough Sports Village. Athletes will visit the academy to meet and work with our children to further develop their aspirations in sport.</p>	<p>£1,500 (Cost of Hiring Middlesbrough Sports Village: £850.00)</p>
<p><i>Ensure resources are available to meet the needs of the children:</i> Stock replenishment</p>	<p>These resources are needed to ensure that we can meet the needs of all of our pupils.</p>	<p>Our resources ensure that our teachers and Sports Leads can deliver our LTP for PE during this academic year.</p>	<p>Projected spend: £300</p>
<p><i>Real-life experiences of sporting events:</i> Transport costs for the Rugby World Cup 2015</p>	<p>Following our successful application for tickets using last year's premium, the funding will be used for children to attend different group games around the country.</p>	<p>Children in KS2 to attend major sporting events to enrich their life experiences through sport.</p>	<p>£1,400</p>
