

Nursery and SEND Newsletter

Autumn 1: September 2017

Welcome!!

We all hope you had a good holiday and that you are looking forward to your child enjoying an exciting year. It is lovely to see the children looking so smart in their new uniforms. Please ensure that your child is wearing the correct uniform at all times. We require your child to wear plain black shoes. Please ensure that their name is in all of their clothes and coats we have a permanent marker in school which you can use. Most children wear the same sized clothes and jumpers and cardigans can easily get mixed up. If you have any concerns or questions regarding your child, please do not hesitate to speak to a member of staff.

Mrs Thornton, Mrs Hill and Mrs Deakin

Our Topic Work

This half term our topic is, 'Why do you love me so much.? We will be talking about our families, homes and where we live. We will be looking at how babies change and grow and would ask for your help in sending in a picture of your child as a baby. This will be used within class and on our displays and will be returned to you when the topic is finished.

We will be walking around our local environment to explore the different types of houses and homes.

Junk Modelling

We continue to collect newspapers, boxes and interesting objects for junk modelling. Please send these into school with your child. However, we would ask that you do not send in any egg boxes, toilet rolls or tablet boxes.

Thank you!

Star of the Week

On Fridays we award our 'Star of the Week' to children who have been well behaved, attended nursery all week and have worked hard.

They will receive a special certificate and are allowed to look after our class teddy bear for the weekend.

PE Days and Softplay

Nursery children will do PE on Thursdays and Mrs Hill/ Mrs Deakin's children will be notified as soon as all the children have started with us.

No earrings, jewellery are allowed to be worn during these sessions. We would ask for your cooperation that girls do not wear tights on Thursdays to support their independence whilst putting on their own socks and shoes.

Softplay will be available daily and again we ask that no earrings are to be worn for the health and safety of the children.

Thank you for your continued support.

Helping your child at home

Please can you encourage your child to put their own coat on. When they can do this please practise fastening their own coat as we are encouraging independence within school.

If your child can put their own socks and shoes on, this again promotes independence but will be a great help to the staff on PE Days.

Many new starters are coming into school with dummies. Whilst we appreciate they are a comfort to your child, now that they are in Nursery please can they be left at home.

Home time

Your cooperation is appreciated whilst the staff get to know all the parents and families. The children will be called by name one at a time. Therefore, your patience is greatly appreciated at the end of the day when collecting your child.

Remember - if someone different is collecting your child, please make the staff aware of this or alternatively, contact the school office. Your child's password must be given. The safety of your child is our priority. Thank you for your continued support and cooperation.

Thank you!
