Dear Parent(s)/Carer(s),

FURTHER UPDATE: SCHOOL BUILDING AND PUPIL PROVISION

Thank you again for your continued support this week. The children are enjoying a range of so many lovely activities and we are so very grateful to all those, both at Pennyman and host venues, who have made this possible.

As we shared in the text message yesterday, cleaning is continuing throughout the academy. Following this, we are also hopeful that the reconnection to the electricity supply will begin next week.

Many of you have talked to us about donation pages and fundraising. May we just confirm that the academy has not set up any sites or events with regard to this, as all damages will currently be covered by the insurance.

We are grateful for your support and so should any fundraising events be planned, we will write to you about them in the Summer Term.

We will update you further at the end of this week however, should you have any further queries please do not hesitate to speak to a member of staff as they will be happy to help.

Yours sincerely

Mrs K Barkley
