

# Week 2 Newsletter

**Pennyman**  
Primary Academy

The children have settled back into the routine of school again and the quality of work being produced across the academy is genuinely wonderful. The children are demonstrating such amazing behaviours for learning and as a result, the progress made and pride taken in their work is incredible.

Given that we are now back in a national lockdown, may we remind you all that we need to take extra precautions in order to keep all of us safe. The mayor requested that parents and carers collecting and dropping off children wear a face covering to protect themselves and others from the risks of COVID-19.

Can we remind you that when waiting for your child or children to finish school that it is important to keep them with you and not to let them play with other children. We are working hard to ensure bubbles are kept separately and support from you around this would help so much.

As we have mentioned in a Facebook post earlier this week, the crossing patrol officer will not be back at work until the 2nd December, so please make sure you take care when crossing the road.

It is important that the children are kept hydrated, therefore please can you make sure you send your children with a water bottle each day. We ask that you only send water in the bottles. We appreciate that some children do not like water, so clear flavoured water is ok, but no fruit juice or fizzy drinks are allowed.

May we remind you that, even with the new restrictions, the academy remains open. Thank you again from the team at Pennyman for your continued support this term, it is really appreciated.

## Questions and Answers

**How can you help to keep others safe?** Can we remind you to observe, where possible, social distancing according to Public Health guidance, in order to make sure staff and children are kept safe. Once your child has entered the academy, please leave as quickly as possible unless you are waiting to drop off or collect another child. Please try to avoid using the academy drive way to turn cars around. Where possible please wear a face covering to protect yourself and others.

**What do you need to bring for PE?** The PE kit needs to include sports trainers, jogging bottoms, shorts, t-shirt, a jumper and a raincoat. PE will be outside every week. We suggest a change of socks too, in case their feet get wet.

**What if your child needs medicine?** Due to restrictions, we are not able to administer non-prescribed medicine, but if your child needs Calpol for example, you are able to bring medicine to give to your child yourself. Nurofen kids lasts for 6 hours, so this may be an alternative.

**What does it mean to isolate?** According to government guidance it is important that anyone who has symptoms or has received a positive test result should stay at home and not mix with anyone outside of their household. If someone in your home has tested positive it is suggested that you try and stay as far away from other members of your household as possible.

**Who can I turn to if things are difficult?** Attached to the newsletter this week is a poster explaining how the academy can support you if your circumstances have changed in recent weeks. Please take a look and get in touch if you think we can help in any way.

## We will remember them...

On Thursday, we marked Remembrance Day across the academy with an impeccably observed minutes silence. This was followed up with a host of different activities taking place throughout the academy to acknowledge those who have given their today for our tomorrow. The children have produced some truly wonderful pieces of work from poetry to collages. We are incredibly proud of the mature and thoughtful way all of our children have approached this.

REMEMBRANCE DAY  
*Let Us Not Forget*

## When and where do you drop off and collect your children?

Class	Collection/Drop off	Start	Finish
Nursery AM	Nursery entrance	8:45 – 9:05	11:30
Nursery PM	Nursery entrance	12:25 – 12:35	14:55
Reception	KS1 entrance	8:40 – 8:50	14:40
SEND	Main gate/office	8:40 – 8:55	15:00
Y1	New KS1 gate	8:40 – 8:50	14:40
Y2	KS1 entrance	8:50 – 9:00	14:50
Y3	KS2 entrance	8:45	15:05
Y4	KS2 entrance	8:40	15:00

## COVID-19 Government Guidance

- Children must not attend the academy if they themselves have symptoms, or have had contact with individuals who are unwell with coronavirus (COVID-19) symptoms, or who have someone in their household who does.
- Everyone attending the academy must clean their hands thoroughly and more often than usual.
- Everyone will be encouraged to follow the 'catch it, bin it, kill it' and 'hands, face, space' approach.
- As an academy we have introduced a full time cleaner on site who will clean frequently touched surfaces.
- We encourage everyone to minimise contact between individuals and maintain social distancing wherever possible.
