  - The Education (Pupil Information) (England) Regulations 2005 (as amended in 2016)

## 2. Applicable data

- 2.1. For the purpose of this policy, **personal data** refers to information that relates to an identifiable, living individual, including information such as an online identifier, e.g. an IP address. The GDPR applies to both automated personal data and to manual filing systems, where personal data is accessible according to specific criteria, as well as to chronologically ordered data and pseudonymised data, e.g. key-coded.
- 2.2. **Sensitive personal data** is referred to in the GDPR as 'special categories of personal data', which are broadly the same as those in the Data Protection Act (DPA) 1998. These specifically include the processing of genetic data, biometric data and data concerning health matters.

## 3. Principles

- 3.1. In accordance with the requirements outlined in the GDPR, personal data will be:
  - Processed lawfully, fairly and in a transparent manner in relation to individuals.

- Collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes; further processing for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes shall not be considered to be incompatible with the initial purposes.
- Adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed.
- Accurate and, where necessary, kept up-to-date; every reasonable step must be taken to ensure that personal data that are inaccurate, having regard to the purposes for which they are processed, are erased or rectified without delay.
- Kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed; personal data may be stored for longer periods, insofar as the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes, subject to implementation of the appropriate technical and organisational measures required by the GDPR in order to safeguard the rights and freedoms of individuals.
- Processed in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organisational measures.

3.2. The GDPR also requires that “the controller shall be responsible for, and able to demonstrate, compliance with the principles”.

- Data minimisation.
  - Pseudonymisation.
  - Transparency.
  - Allowing individuals to monitor processing.
  - Continuously creating and improving security features.
- 4.6. Data protection impact assessments will be used, where appropriate.

- 7.3. Where consent is given, a record will be kept documenting how and when consent was given.
- 7.4. Tees Valley Education Trust ensures that consent mechanisms meet the standards of the GDPR. Where the standard of consent cannot be met, an alternative legal basis for processing the data must be found, or the processing must cease.
- 7.5. Consent accepted under the DPA will be reviewed to ensure it meets the standards of the GDPR; however, acceptable consent obtained under the DPA will not be reobtained.
- 7.6. Consent can be withdrawn by the individual at any time.
- 7.7. Where a child is under the age of 16 [or younger if the law provides it (up to the age of 13)], the consent of parents will be sought prior to the processing of their data, except where the processing is related to preventative or counselling services offered directly to a child.

They can do this by emailing: [DPO@tved.org.uk](mailto:DPO@tved.org.uk) and stating in the subject '**SUBJECT ACCESS REQUEST**'. Further information is available from the [ICO's website](#).

---

<sup>2</sup> In line with the ICO [Right of access](#)

- 9.3. Tees Valley Education Trust will verify the identity of the person making the request before any information is supplied<sup>3</sup>.

- 9.6. Where a request is [manifestly unfounded](#), [excessive or repetitive](#), a reasonable fee will be charged.
- 9.7. All fees will be based on the administrative cost of providing the information. If we do decide to charge a fee we will contact the individual promptly and inform them. We do not need to comply with the request until we have received the fee.
- 9.8. All requests will be responded to without delay and at the latest, within one month of receipt.
- 9.9. In the event of numerous or complex requests, the period of compliance will be extended by a further two months. The individual will be informed of this extension, and will receive an explanation of why the extension is necessary, within one month of the receipt of the request.
- 9.10. Where a request is manifestly unfounded or excessive, Tees Valley Education Trust holds the right to refuse to respond to the request. The individual will be informed of this decision and the reasoning behind it, as well as their right to complain to the Chair of the Trust Board or CEO and to a judicial remedy, within one month of receipt of the request<sup>4</sup>.
- 9.11. Where Tees Valley Education Trust needs more information from the individual to confirm their identity before responding to the request, we will let the individual know as soon as possible. The period for responding to the request begins when Tees Valley Education Trust receive the additional information.
- 9.12. In the event that a large quantity of information is being processed about an individual, Tees Valley Education Trust will ask the individual to specify the information the request is in relation to.

## **10. The right to rectification**

- 10.2. An individual can make a request for rectification verbally or in writing.

---

<sup>3</sup> In line with the ICO's [Code of practice](#)

<sup>4</sup> In line with the ICO [Right of access – Can we refuse to comply with a request?](#)

- 10.3. Where the personal data in question has been disclosed to third parties, the academy will inform them of the rectification where possible.
- 10.4. Where appropriate, the academy will inform the individual about the third parties that the data has been disclosed to.
- 10.5. No fee will be charged to comply with a request for rectification; however, the academy may impose a 'reasonable fee' for the administrative costs of complying with the request if it is [manifestly unfounded](#) or [excessive](#).
- 10.6. If we do decide to charge a fee we will contact the individual promptly and inform them. We do not need to comply with the request until we have received the fees. Alternatively we can refuse to comply with a manifestly unfounded or excessive request.
- 10.7. All requests for rectification will be responded to without delay and at the latest, within one month of receipt.

- 11.3. Individuals have the right to erasure in the following circumstances:
  - Where the personal data is no longer necessary in relation to the purpose for which it was originally collected/processed
  - When the individual withdraws their consent
  - When the individual objects to the processing and there is no overriding legitimate interest for continuing the processing
  - The personal data was unlawfully processed
  - The personal data is required to be erased in order to comply with a legal obligation

- The personal data is processed in relation to the offer of information society services to a child
- 11.4. Tees Valley Education Trust has the right to refuse a request for erasure where the personal data is being processed for the following reasons:
- To exercise the right of freedom of expression and information
  - To comply with a legal obligation for the performance of a public interest task or exercise of official authority
  - For public health purposes in the public interest
  - For archiving purposes in the public interest, scientific research, historical research or statistical purposes
  - The exercise or defence of legal claims
- 11.5. As a child may not fully understand the risks involved in the processing of data when consent is obtained, special attention will be given to existing situations where a child has given consent to processing and they later request erasure of the data, regardless of age at the time of the request.
- 11.6. Where personal data has been disclosed to third parties, they will be informed about the erasure of the personal data, unless it is impossible or involves disproportionate effort to do so.
- 11.7. Where personal data has been made public within an online environment, the academy will inform other organisations who process the personal data to erase links to and copies of the personal data in question.
- 11.8. No fee will be charged to comply with a request for erasure; however, the academy may impose a 'reasonable fee' for the administrative costs of complying with the request if it is [manifestly unfounded](#) or [excessive](#).
- 11.9. If we do decide to charge a fee we will contact the individual promptly and inform them. We do not need to comply with the request until we have received the fees. Alternatively we can refuse to comply with a manifestly unfounded or excessive request.
- 11.10. All requests for erasure will be responded to without delay and at the latest, within one month of receipt.
- 11.11. Where the request is complex, or a number of requests have been received, the timeframe can be extended by two months, ensuring that the individual is informed of the extension and the reasoning behind it within one month of the receipt of the request.
- 11.12. Where no action is being taken in response to a request for erasure, Tees Valley Education Trust will explain the reason for this to the individual, and will inform them of their right to complain to the Chair of the Trust Board or CEO and to a judicial remedy, within one month of receipt of the request.
- 11.13. Where Tees Valley Education Trust needs more information from the individual to confirm their identity before complying with the request, we will let the individual know as soon as possible and within one month.

- 12.3. All requests for restriction will be responded to without delay and at the latest, within one month of receipt.
- 12.4. Where the request is complex, or a number of requests have been received, the timeframe can be extended by two months, ensuring that the individual is informed of the extension and the reasoning behind it within one month of the receipt of the request.
- 12.5. In the event that processing is restricted, the academy will store the personal data, but not further process it, guaranteeing that just enough information about the individual has been retained to ensure that the restriction is respected in future.
- 12.6. In the event that processing is restricted there are exceptions to 12.3 (above):
  - if we have the individual's consent;
  - it is for the establishment, exercise or defence of legal claims;
  - it is for the protection of the rights of another person (natural or legal); or
  - it is for reasons of important public interest.
- 12.7. The academy will restrict the processing of personal data in the following circumstances:
  - Where an individual contests the accuracy of the personal data, processing will be restricted until the academy has verified the accuracy of the data
  - Where an individual has objected to the processing and the academy is considering whether their legitimate grounds override those of the individual
  - Where processing is unlawful and the individual opposes erasure and requests restriction instead
  - Where the academy no longer needs the personal data but the individual requires the data to establish, exercise or defend a legal claim
  - Although this is distinct from the right to rectification and the right to object, there are close links between those rights and the right to restrict processing ([see Appendix 2](#)).
- 12.8. If the personal data in question has been disclosed to third parties, the academy will inform them about the restriction on the processing of the personal data, unless it is impossible or involves disproportionate effort to do so.
- 12.9. No fee will be charged to comply with a request for restriction; however, the academy may impose a 'reasonable fee' for the administrative costs of complying with the request if it is [manifestly unfounded](#) or [excessive](#).

- 12.10. If we do decide to charge a fee we will contact the individual promptly and inform them. We do not need to comply with the request until we have received the fees. Alternatively we can refuse to comply with a manifestly unfounded or excessive request.
- 12.11. The academy will inform individuals **before** a restriction on processing has been lifted.
- 12.12. Where no action is being taken in response to a request for restriction, Tees Valley Education Trust will explain the reason for this to the individual, and will inform them of their right to complain to the Chair of the Trust Board or CEO and to a judicial remedy, within one month of receipt of the request.
- 12.13. Where Tees Valley Education Trust needs more information from the individual to confirm their identity before complying with the request, we will let the individual know as soon as possible and within one month.

- 13.2. Personal data can be easily moved, copied or transferred from one IT environment to another in a safe and secure manner, without hindrance to usability.
- 13.3. The right to data portability only applies in the following cases:
- To personal data that an individual has provided to a controller
  - Where the processing is based on the individual's consent or for the performance of a contract
  - When processing is carried out by automated means
- 13.4. Personal data will be provided in a structured, commonly used and machine-readable form.
- 13.5. The academy will provide the information free of charge; however, the academy may impose a 'reasonable fee' for the administrative costs of complying with the request if it is [manifestly unfounded](#) or [excessive](#).
- 13.6. If we do decide to charge a fee we will contact the individual promptly and inform them. We do not need to comply with the request until we have received the fees. Alternatively we can refuse to comply with a manifestly unfounded or excessive request.
- 13.7. Where feasible, data will be transmitted directly to another organisation at the request of the individual.
- 13.8. Tees Valley Education Trust is not required to adopt or maintain processing systems which are technically compatible with other organisations.

- 13.9. In the event that the personal data concerns more than one individual, Tees Valley Education Trust will consider whether providing the information would prejudice the rights of any other individual.
- 13.10. Tees Valley Education Trust will respond to any requests for portability within one month.
- 13.11. Where the request is complex, or a number of requests have been received, the timeframe can be extended by two months, ensuring that the individual is informed of the extension and the reasoning behind it within one month of the receipt of the request.
- 13.12. Where no action is being taken in response to a request, Tees Valley Education Trust will, without delay and at the latest within one month, explain to the individual the reason for this and will inform them of their right to complain to the Chair of the Trust Board or CEO and to a judicial remedy.
- 13.13. Where Tees Valley Education Trust needs more information from the individual to confirm their identity before responding to the request, we will let the individual know as soon as possible. The period for responding to the request begins when Tees Valley Education Trust receive the additional information.

#### **14. The right to object**

- 14.1. The academy will inform individuals of their [right to object at the first point of communication](#), and this information will be outlined in the privacy notice and explicitly brought to the attention of the data subject, ensuring that it is presented clearly and separately from any other information<sup>5</sup>.
- 14.2. An individual can make an objection verbally or in writing.
- 14.3. All objection requests from an individual will be responded to without delay and at the latest, within one month of receipt.
- 14.4. Where the request is complex, or a number of requests have been received, the timeframe can be extended by two months, ensuring that the individual is informed of the extension and the reasoning behind it within one month of the receipt of the request.
- 14.5. Individuals have the right to object to the following:
  - Processing based on legitimate interests or the performance of a task in the public interest
  - Direct marketing
  - Processing for purposes of scientific or historical research and statistics.

---

<sup>5</sup> In line with the ICO [Right to object – Do we always need to erase personal data to comply with an objection?](#)

- 14.6. Where personal data is processed for the performance of a legal task or legitimate interests:
- An individual's grounds for objecting must relate to his or her particular situation.
  - The academy will stop processing the individual's personal data unless the processing is for the establishment, exercise or defence of legal claims, or, where the academy can demonstrate compelling legitimate grounds for the processing, which override the interests, rights and freedoms of the individual.
- 14.7. Where personal data is processed for direct marketing purposes:
- The academy will stop processing personal data for direct marketing purposes as soon as an objection is received.
  - The academy cannot refuse an individual's objection regarding data that is being processed for direct marketing purposes.
- 14.8. Where personal data is processed for research purposes:
- The individual must have grounds relating to their particular situation in order to exercise their right to object.
  - Where the processing of personal data is necessary for the performance of a public interest task, the academy is not required to comply with an objection to the processing of the data.
- 14.9. Where the processing activity is outlined above, but is carried out online, the academy will offer a method for individuals to object by emailing the Chief Operating Officer ([emma.chawner@tved.org.uk](mailto:emma.chawner@tved.org.uk)).
- 14.10. No fee will be charged to comply with an individual's right to object; however, the academy may impose a 'reasonable fee' for the administrative costs of complying if it is [manifestly unfounded](#) or [excessive](#).
- 14.11. If we do decide to charge a fee we will contact the individual promptly and inform them. We do not need to comply with an individual's right to object until we have received the fees.  
Alternatively we can refuse to comply with a manifestly unfounded or excessive request.
- 14.12. Where no action is being taken in response to an objection, Tees Valley Education Trust will, without delay and at the latest within one month, explain to the individual the reason for this and will inform them of their right to complain to the supervisory authority and to a judicial remedy.
- 14.13. Where Tees Valley Education Trust needs more information from the individual to confirm their identity before responding to their objection, we will let the individual know as soon as possible. The period for responding to their objection begins when Tees Valley Education Trust receive the additional information.

## **15. Automated decision making and profiling**

- 15.1. Individuals have the right not to be subject to a decision when:
- It is based on automated processing, e.g. profiling.
  - It produces a legal effect or a similarly significant effect on the individual.
- 15.2. Tees Valley Education Trust will take steps to ensure that individuals are able to obtain human intervention, express their point of view, and obtain an explanation of the decision and challenge it.
- 15.3. When automatically processing personal data for profiling purposes, Tees Valley Education Trust will ensure that the appropriate safeguards are in place, including:
- Ensuring processing is fair and transparent by providing meaningful information about the logic involved, as well as the significance and the predicted impact.
  - Using appropriate mathematical or statistical procedures.
  - Implementing appropriate technical and organisational measures to enable inaccuracies to be corrected and minimise the risk of errors.
  - Securing personal data in a way that is proportionate to the risk to the interests and rights of the individual and prevents discriminatory effects.
- 15.4. Automated decisions must not concern a child or be based on the processing of sensitive data, unless:
- The academy has the explicit consent of the individual.

- 15.6. Data protection impact assessments (DPIAs) will be used to identify the most effective method of complying with the Tees Valley Education Trust's data protection obligations and meeting individuals' expectations of privacy.
- 15.7. DPIAs will allow Tees Valley Education Trust to identify and resolve problems at an early stage, thus reducing associated costs and preventing damage from being caused to Tees Valley Education Trusts reputation which might otherwise occur.

## Appendix 1 – Sensitive or Special category data

What is special category data?

The GDPR defines special category data as:

- personal data revealing **racial or ethnic origin**;
- personal data revealing **political opinions**;
- personal data revealing **religious or philosophical beliefs**;
- personal data revealing **trade union membership**;
- **genetic data**;
- **biometric data** (where used for identification purposes);
- data concerning **health**;
- data concerning a person's **sex life**; and
- data concerning a person's **sexual orientation**.

This does not include personal data about criminal allegations, proceedings or convictions, as separate rules apply. For further information, please see our separate guidance on [criminal offence data](#).

Special category data includes personal data **revealing or concerning** the above types of data. Therefore, if you have inferred or guessed details about someone which fall into one of the above categories, this data may count as special category data. It depends on how certain that inference is, and whether you are deliberately drawing that inference.

## Appendix 2 – The right to restrict processing

Although this is distinct from the right to rectification and the right to object, there are close links between those rights and the right to restrict processing:

- if an individual has challenged the accuracy of their data and asked Tees Valley Education Trust to rectify it, the individual also has a right to request that Tees Valley Education Trust restrict processing while we consider their rectification request; or
- if an individual exercises their right to object, the individual also has a right to request that Tees Valley Education Trust restrict processing while we consider their objection request.

Therefore, as a matter of good practice Tees Valley Education Trust should automatically restrict the processing whilst we are considering its accuracy or the legitimate grounds for processing the personal data in question.
