

Carle Class Nursery Newsletter

Pennyman
Primary Academy

Welcome to our autumn newsletter!

We want to share with you some of the fantastic things we will be getting up to in Nursery in the academy this term.

Nursery English

During our autumn term we will be sharing loads of exciting books. These will include books by the Author Eric Carle as our classroom has been named 'Carle Class' after this particular author. We will be looking at how to hold books and understanding that print has meaning.

We will also begin looking at sounds through song, rhymes and also how we can make sounds using our body.

Nursery Maths

As part of our maths curriculum we will be learning to recite numbers up to and beyond 5. We will be using maths songs and rhymes to be able to recite these numbers as well as using our fingers to represent numbers.

We will also begin to look at and explore 2D shapes. This will include the language associated with shape.

Nursery PHSE

As part of PHSE we will be looking at families and in particular our own families and those who are important to us.

We will also focus on self-care such as washing our hands and introducing classroom rules and routines.

Most of all we want to take the opportunity to build positive relationships within our classroom and make meaningful friendships.

Nursery Wider Curriculum

Understanding the world is a focus within the nursery setting and this will include celebrating and understanding days such as bonfire night, Diwali, Christmas and also birthdays.

Pretend play will be a huge aspect of our time in nursery. This can be expressed within the kitchen and family role play area, the construction corner and also sand and water play. These areas will constantly be changing in order to cover topics that we are exploring in other areas of learning.

Nursery Homework

During this term we will be sending home 'cuddle books' for you to enjoy. These are something you can share and read to your child so that they can begin to explore reading books for pleasure. Once you have enjoyed the book you can send it back and your child can pick another book that they are interested in.

Nursery Other information

We have our PE lesson for half an hour on a Tuesday morning. These sessions will be tailored to suit our classroom to ensure all children have the chance to participate.

It would be great if you could send some pictures in of important family members to help us explore our family in PHSE
